Tried on a suit at Larvin this morning.

André de Staercke and I went to lunch at Calvet.

I had a talk with Frank Smith, the U.S. Treasury income tax expert stationed in Paris. I wished to inform myself of some of the changes made by the last Internal Revenue Act.

Martin Hillenbrand brought me, at John Hughes' request, the recent cables between himself, Aldrich and the Department on the nature of future representation to the Western European Union and the Coal and Steel Community. Personally, I think it would be well to allow this to drift for the time being.
